

## WALLARAH 2 GRANT SUPPORTS 2019 CHINESE CULTURAL FESTIVAL

This year's Central Coast Chinese Cultural Festival will be held on September 15 at The Entrance Memorial Park.

The annual event organised by the China Australia Friendship Association, is the largest multicultural festival held on the Coast with over ten thousand visitors expected to attend.

"Preparations are well underway including performance practice for what will be our 9<sup>th</sup> festival year" says Festival Director, Ruby Eaton.

China Australia Friendship Association (CAFA) is the most active multicultural group on the Central Coast with its activities benefitting its members and the wider community by promoting multiculturalism, harmony and tolerance.

"We appreciate the continued support from Wallarah 2", said Ruby. "We are the only multicultural event on the Central Coast organised by the community and without grant funding we could not continue" added Ruby.
