

CHINESE CULTURAL FESTIVAL

The Wallarah 2 Coal Project was once again proud to support the Central Coast Chinese Cultural Festival held in September at The Entrance Memorial Park. The annual event organised by the China Australia Friendship Association, is the largest multicultural festival held on the Coast and was free to enter.

“This event showcases the cultural diversity that exists on the Coast by way of performances and art/craft demonstrations. It is a vital tool to breaking down barriers between different cultures and promoting tolerance and harmony” says Festival Director, Ruby Eaton.

The success of the event each year relies heavily on in-kind support and grant funding. In offering a hand to the China Australia Friendship Association, Wallarah 2 hope the funding helps to build awareness of the various cultural groups in the local area.
