NOTICE OF CORRECTION TO THE SCHEDULE OF LANDS TO DEVELOPMENT APPLICATION SSD 4974 FOR THE WALLARAH 2 COAL PROJECT

Wyong Areas Coal Joint Venture (ABN 90 074 786 99(002)) hereby provides public notice of the correction of its development application for the Wallarah 2 Coal Project (SSD 4974).

The development application schedule of lands has been corrected so that it lists all land within the Project Boundary marked on the following map, which is consistent with the Project Boundary in the exhibited Environmental Impact Statement (2013):

The list of land contained in the original development application had earlier omitted to include that part of Lot 1 DP 1192889 which was formerly Lot 7305 DP 1165648.

The development application has been corrected to apply to all land within the Project Boundary marked on the above map which includes the following Lot/DP numbers, as well areas of Wyong State Forest, Exploration Licence 6514 (Boral-Clay), Exploration Licence 4911 and Authorisation 405:
