

# Work, Health & Safety Policy

## THE HEALTH, SAFETY AND WELLBEING OF ALL WORKERS AT WALLARAH 2 COAL PROJECT SITES IS OUR FIRST PRIORITY

In conducting our activities and operations our aim is to safely and efficiently provide:

- A workplace where the responsibility and onus for health and safety is embraced both individually and collectively
- Information and competency based training on the identification of hazards and the assessment and mitigation of risks to ensure that all activities can be performed safely and without incident
- Interactive consultation with all workers on matters which may impact upon health and safety at Wallarah 2 Coal Project sites
- An awareness of the responsibility to work safely and an obligation to report concerns and incidents as a mandatory requirement
- Awareness that no worker will undertake activities that he or she reasonably considers to be unsafe and/or may be liable to affect the health and safety of themselves or other personnel
- Adherence to the requirements outlined in the Work Health and Safety Act 2011, Work Health and Safety (Mines) Act 2013, and Work Health and Safety (Mines) Regulation 2014
