

Excerpt from Hunter and Newcastle Youth Development Trust website 21/4/08

WALLARAH2 COAL PROJECT YOUTH DEVELOPMENT

Following a meeting with Mr In-Sik Kim and Peter Smith from the Wallarah2 Coal Project today. The Newcastle and Hunter Youth Development Trust would like to make the official launch for Youth Development in the Wyong Shire. With plans underway for meetings with local schools and sporting groups in term 2, the Trust will be delivering the highest quality programs available to us for the youth of the area.

We would welcome support from interested parents and school teachers in the area to give our local children encouragement into a healthy and active lifestyle.

Our interest in this area follows highly successful programs in Newcastle and the Hunter Valley.

You can contact the trust via email to

Robyn Murray robynche@bigpond.net.au

Our sincere appreciation to the Wallarah2 Coal Project for the interest shown in supporting Community and Sporting Events in the Upper Wyong Shire.
